SPRING 2012 March 16th

ARTISTIC FISH MOUNTING - Wilderness & Wildlife Artist

Hello Everyone,

I hope this note finds you all well.

Yesterday, a friend of my father's let us know this weekend was the Fishing Expo, also that they are having a special event on Friday night 7pm- A well known fly tier-Don Bastian; will be doing a special session on the Footer Special.

I thought you might like to know as this year is the 50th anniversary of the first Footer Special Fly. It's also L.L. Bean's 100th Birthday.

I have added a link below which will take you to their flyer if you are interested in learning more about the event. But even if you are not able to go, please pass the word along to anyone you think might be interested.

Once the link opens in pdf see notation under Friday night just beside the poster it mentions the Don Bastian will be teaching how to tie the Footer Special.

On Saturday, David will be down to the Event between 10 A. M. – 12 noon to touch base with lots of old friends and hopes to meet new ones. Please stop by the Saco River Salmon Club where we hope to display the Carving and painting titled “Returning” to celebrate their best return yet on all their volunteered efforts.

Here is the link to their flyer for the Weekend event.

I wonder if he'll be tying it like Leo Beaulé who tied the first ones for Dave in 1962. I especially like his presentations. Come check it out if you can. Hope to see you there!

Best Regards,
